Locally based in CO · Ready to make your next production great

bccliveproductions.com · help@bcclive.com · (303) 447-7177

BCC Live offers setup and monitoring of large LED screens in customizable sizes for your event. Alongside these screens, we can also handle audio, power, video, lighting, and/or internet on site. It's all part of our Productions Made Great approach.

## CHOOSE YOUR LED SCREEN

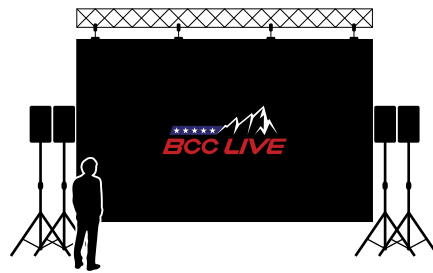

### 1 LARGE SCREEN

11' x 6.5'

Great for impact in medium-sized venues and as a supplement to a variety of onstage action.

**\$1499**

Includes technician setup and onsite monitoring

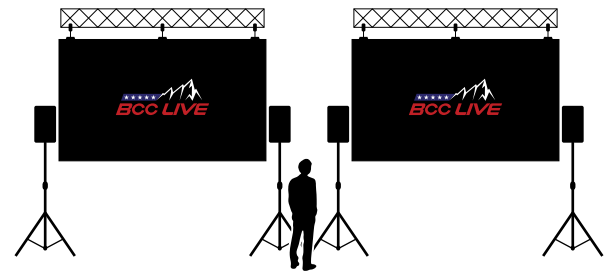

### 1 XTRA LARGE SCREEN

16' x 10'

Great for immersive experiences on stage and on the exhibition floor, or as a shared focal point for large movie screenings and presentations.

**\$1799**

Includes technician setup and onsite monitoring

### 2 LARGE SCREENS

Each 11' x 6.5'

Great for providing large audiences with improved visibility at ceremonies, presentations, or performances on stage.

**\$2199**

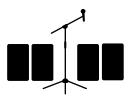

Includes technician setup and onsite monitoring

All our screens provide up to 5,000 nits brightness, have a 3.9 mm pixel pitch, and are IP65 dust and water tight for crisp, clear visuals indoors and outdoors.
